The night is in tribute to National Mentoring Month, which is held each January to promote youth mentoring in the United States. The one-hour program will include songs and anecdotes from Austin, and will be broadcast over The Cabot’s [Facebook](#) page and [YouTube](#) channel.

“I am so grateful to The Cabot for joining with me to promote something very near and dear to my heart,” said Austin. “My life was profoundly influenced by my mentors and I hope our evening together will shine a little light on the importance of mentorship and what it can mean to a young person.”

About The Cabot

For a century, The Cabot in Beverly has been a local treasure, a dream palace at the heart of the downtown, and a welcoming gathering place for generations of North Shore residents. Originally known as The Ware, this opulent, neoclassical-style theater was built in 1920 by the renowned architectural firm Funk & Wilcox. Originally used for vaudeville shows and silent movies, it was later owned by the movie chain E.M. Loews. In 1976, The Cabot was purchased by Le Grand David and his own Spectacular Magic Company, and for the next 36 years was home to this world-famous magic show. The Cabot is now being transformed into a 21st century venue for audiences of all ages, with nationally recognized live performers, current and classic movies and community events. Since its reopening in November 2014, The Cabot is once again a vital part of the North Shore's artistic life. The Cabot celebrated its 100th anniversary in 2020. Visit <https://thecabot.org>.
