CELEBRATING 100 YEARS

A MESSAGE FROM THE EXECUTIVE DIRECTOR

Dear Friends of The Cabot,

So much can change in a year. Last year we were on our way to our biggest and best year ever. We had produced 105 live events ranging from ballet to reggae and everything in between, hosted over 300 film screenings, and raised \$1,000,000 for capital improvements at our Cabot 99 event. In addition, The Cabot presented its first Broadway show, unveiled public murals, kicked off our 100th anniversary year with a special fundraiser with Patti Austin, and hosted a wide range of community events.

And then on Friday, March 13, COVID-19 hit. Along with the entire performing arts and film industries, The Cabot was forced to shut down.

We immediately went on the offensive. Thanks to our generous donors and some well-timed grant funding, we raised over \$900,000 to sustain us through a prolonged shutdown. We've also reduced expenses by over 50% while maintaining a core group of staff and partners who will be the architects of our future.

Despite the shutdown, we continue to find ways to deliver our mission. We have offered a diverse selection of virtual movies and helped the Salem Film Fest pivot to an all-virtual film festival. We partnered with the City of Salem, Creative Collective and Root to bring drive-in movies to hundreds of happy patrons. We sold over 200 tickets to a virtual comedy show featuring some of Boston's best comics. The popular Hale Farm outdoor concerts continued through the fall, and we have invested in live streaming equipment to bring our programs to our patrons' living rooms this fall and winter.

The renovation of our historic lobby is underway thanks to the generous support of our donors and a large grant from the City of Beverly Community Preservation Act. The lobby, renovated to its original grandeur, will help ensure The Cabot remains a beloved resource for generations to come.

I'm deeply grateful to the Cabot team — patrons, members, donors, friends, staff, and board. Community is invaluable, and because of you, the Cabot community is extraordinary.

We will get through this, together.

Wishing you and yours good health,

J. Casey Soward
Executive Director

AN EXPERIENCE LIKE NO OTHER

The Cabot Theater, a North Shore treasure, is a legacy of the visionary showmanship and architectural passion of North Shore residents, the Ware Brothers. The Theater opened on December 8, 1920 as a dream palace for vaudeville and silent movies and it was hailed as “the most impressive auditorium of its size east of New York.”

Today, The Cabot is a rare survivor. When the Cabot Performing Arts Center reopened its doors in 2014 after being closed for nearly a year, it was no less than a rescue mission. Out of the 20,000 grand movie palaces that once existed across the country, fewer than 250 remain.

SHARE THE PASSION

Our founders, a small group of forward-thinking business leaders and community visionaries came together to honor a piece of Beverly's prized history and this 1920 historic gem was saved!

MISSION

As stewards of the historic Cabot Street Cinema Theater, the mission of the Cabot Performing Arts Center is to educate and engage the community through the presentation of high-quality performing arts and to enrich the cultural and economic life north of Boston.

AN UNPRECEDENTED YEAR

This year has been unlike any other. We saw the devastating effects of the COVID-19 pandemic, but we also saw our community unite and support each other like never before.

Community members came together to sew masks, patronize local businesses, and check in on their neighbors. This summer, we joined activists from across the country to speak out against racism. During these difficult times, The Cabot has been a community resource. Messages on our marquee have celebrated graduating seniors and health workers, and offered encouraging words from music icons.

The past year has seen serious discussions about the devastating effects of racism in our country. The Cabot affirms that **Black lives matter**, in our local community, in the arts, and in our society. This conversation cannot end now; we aim to be a catalyst for real change.

Throughout The Cabot's shutdown, we have been beyond honored to receive so much support from our community. Kind notes, comments on social media, and donations of all sizes mean the world to us. This is a difficult time, but we are confident our community can weather any storm together.

Greg Johnston Thank you for what you do! My mum brought me to the Cabot Theater to see my first movie back in the late 60's. I've brought my kids to see Caesar and David's magic shows. And now I've seen countless movies and concerts from some of my favorite artists all in my adopted hometown. What a treasure the Cabot has become! 🙌

A STORY LIKE NO OTHER

The Cabot's doors may be shut to the public, but inside, a whirlwind of activity has been taking place. We have taken advantage of the shutdown to work on the final phases of the Cabot 100 Capital Campaign. **What can you expect to see when you return?**

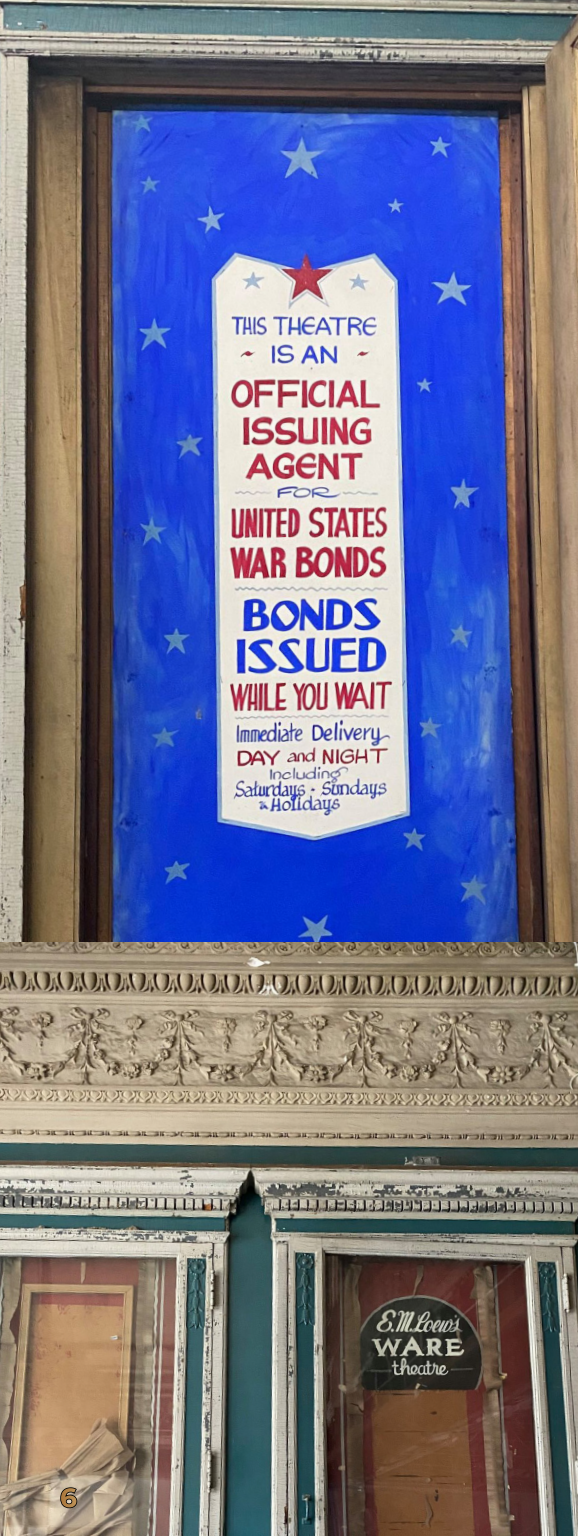

A fully rehabilitated historic rose window, grand arched ceiling and chandelier. Step inside and be transported to the magical grandeur of a 1920s movie palace. During the course of renovation, we discovered antique movie poster cases and other preserved theater ephemera, and uncovered the ornate moulding and original marble that had been covered up by prior renovations. Thanks to a grant from the Citizens of Beverly through the Community Preservation Act, all of these amazing details will be lovingly restored for future generations.

The Cabot is one of many movie palaces built in the 1920s, directly after the end of the Spanish Flu pandemic. Once the pandemic was finally over, one newspaper reported, "rest assured that ... the motion picture palaces have made active preparations for a rousing welcome for us. Their managers have chosen the liveliest, the snappiest, the brightest and the best pictures for our delectation!" The opulence of our theater represents that 1920s optimism, and confidence in a better future.

COMING SOON IN 2021! THE NEWLY RENOVATED DODGE FAMILY LOBBY AT THE CABOT. MANY THANKS TO THE STEVEN AND ANNE DODGE FAMILY FOR THEIR REMARKABLE SUPPORT.

COMING SOON...

We are planning many other exciting upgrades to the theater. Stay tuned!

Installation of an elevator

The Cabot was not designed with universal accessibility in mind, but we are committed to making this a performing arts center for our entire community. Installing a Limited Use/Limited Application elevator will allow us to increase programming on the second floor and make The Cabot a space for everyone.

Updates to our stage rigging

In order to host larger scale productions, we plan to upgrade the grid structure and modernize our stage rigging system.

Main arch repair and restoration

In late 2017, when we stabilized the ceiling, the arch was covered with a protective tarp to avoid any possibility of cracked plaster falling into the seating area. This project will remove the tarp and make plasterwork repairs to restore the beautiful arch above the stage.

BRINGING CHILDREN AND FAMILIES INTO THE CABOT

Kids at The Cabot The Kids at The Cabot series brings children's performers into the theater for a morning of family-focused entertainment. From magicians to puppeteers to singer-songwriters, it has been a joy to host these exuberant matinees for young audiences.

Yogapalooza At the end of 2019 we hosted Yogapalooza, an interactive family event focused on mindfulness, music, and movement, which also included a partnership with the environmental education group Change is Simple.

Polar Express Always the highlight of our family programming, the sold out Polar Express delighted families in our community with a showing of the classic holiday film, as well as games, hot chocolate, and of course, author of "The Polar Express" Chris Van Allsburg signing copies of his book. The Cabot, decorated in wintery splendor, welcomed the young (and young at heart) to visit with Santa and enjoy an enhanced film experience complete with "snow" falling from the sky. This event supports the Isabella "Bella" Marino Charitable Fund, remembering Bella's joyful spirit.

"The Polar Express is a magical event in memory of a very special girl, Miss Bella Marino, who in her short life, taken way too soon, made an incredible impact on anyone who met her. Every child who enters The Cabot on this day is excited and mesmerized by the magic of the Polar Express. The happiness and the charity of the event touch children throughout the community. My family will volunteer for this wonderful event as long as we can."

SHINE A LIGHT: SUPPORTING YOUTH IN THE ARTS

In an effort to bring more youth into The Cabot and give back to the community, the Shine a Light After-School program was started this past winter. The program engages students at Northshore Recovery High School (NRHS) through music, as they learn elements of live performance and the music industry. The program was formed in memory of The Cabot's former Director of Lighting, Josh Robinson, who passed away in July of 2019 and was a graduate of NRHS.

CABOT 100 KICKOFF

In January of 2020, Grammy-winning jazz, pop, and R&B vocalist Patti Austin joined us for the kickoff event of our Cabot 100 year. Patti, who was also featured in the documentary "Twenty Feet from Stardom," is passionate about mentoring younger artists. Her generous spirit showed itself when she invited a Beverly High School student to join her on stage. Donations made on the night of the event went toward the Shine a Light program.

REINVENTING THE CINEMATIC EXPERIENCE

The Cabot is no ordinary movie theater. We reimagine the cinematic experience, acting as a community gathering place, a place for beloved traditions and celebrations. During the past fiscal year, live shadowcasts breathed new life into old favorites. In these film showings, actors performed alongside the screen for special showings of crowd-pleasers like Hocus Pocus and Rocky Horror Picture Show. The Cabot's \$1 Summer Movie program was another success, attracting over 2,000 attendees for family-friendly evenings at the movies. From classics like Mary Poppins to new hits like How to Train Your Dragon, this program has been a great way for us to offer affordable entertainment that children and parents can enjoy together.

THE CABOT IN THE COMMUNITY

The Cabot is a community resource, a gathering space and a friendly neighbor. And as a nonprofit, we understand that it's important to support other organizations in the area. The Cabot frequently hosts nonprofit fundraisers, donates tickets to our neighbors at Pathways for Children and others, and offers free movie and concert tickets to a wide variety of charities and organizations that strengthen our community.

We are also proud to partner with Root, a Salem nonprofit that provides youth ages 16 to 24 with a pathway to employment and financial independence. Our theater snacks, as well as catering at large events, are provided by Root.

The Cabot is proud to support the many organizations in our community that are doing great things.
